My only sweetheart -

There is a boat billed to sail this P.M. at 4 so will drop you a few lines.

Is raining a little and has been for 36 hours.

I sprung my mule idea to the folks the other day and they did everything but side with me, I guess they have thought the matter over favorably, for this A.M. Pa was talking about it this minute and thinks it a good notion, so I am feeling better about it in that respect. A man came to look at my dogs in view of purchasing for \$250, take them or not, may not see him again, he's from Council.

No word from Buck buyer yet, may see him to-day priced him at \$400.00 yours if I get, or even \$250

Can give you no idea of the Kogaruck deal, Rosene, the buyer is not here yet, will be on next boat, after he looks the property over may be able to tell whether he will take it or not.

Am still on my usual good behavior and prospect looks good to continue till I see my only sweetheart.

I sent you \$20 all I have except \$5.00 of my own, by Dave to mail at Seattle.

Must close, now 1 P.M. and give this to some one, going this P.M. to mail at Seattle.

Be good and I will allways love you lots.

Love and kisses for all

Allways yours

Paul
