My dearest:

I reached here yesterday from Woodland & found a welcome letter from you, one, thats all.

Gordon Hall was here last night, has just come from his Merced ranch, I am going down there & take a look soon.

Uncle Tommy Tomy Aunt Eva & Ina just came from Oakdale, also Chas Tuloch, they will all stay all night except Chas.

I went up to the city to-day for about four hours, have not seen Tom or Louis yet. Louis came down from Seattle while I was in Woodland, he sold five otos (autos?) there. Tom is living with Mrs. Hect I hear. Saw Bob Vertue to-day for the first time, he looks natural as life You continue sending your next letter here, then I will know where to expect mail.

The front wall of the Palace Hotel fell out to-day, into Market St. killing two, street blockaded, no cars running down Market St. to-day.

Aunt Eva limps some one leg a bit short, you know about her fall on roller skates! Thats how she broke her leg, when Uncle Tom was north so dont you get too gay when I am gone or I will break your leg.

Auntie Rob, (Mina's Ma) came from Camp about a week ago, I saw her today, she looks well.

No more this time

Lots of love to all

All ways yours only

Paul
