Dearest :

Am satisfied now that we will not be able to leave Sunday, as I don't think we will be finished by to-morrow eve, but think we can leave Tuesday A.M. any way.

We are to have a meeting to-morrow at 10 A.M. & appoint board etc. The division will be Bill & I to have 40,000 shares each Tom 170,000.00 + 5,000 to teas. stock which can be sold Tom puts in all his Anvil Creek claims & Ma & all say the division is very fair.

I saw Mr. Hale yesterday. he agrees to take cattle ranch, 10 saddle horses & work horses for \$19,000.00, that will leave us the Jack, range horses, saddle horses & drivers.

I talked to Ma & Bob about it & they think it a cracking good trade.

I saw Horan, he will be at the ranch May 1st to take the best horses.

So you can see things are looking allright as far as I have gone.

Am going to Aunt Cate's to-night to play cards Ma & Mina will be there.

No more

Allways yours

Paul
