

Woodland Cal.
Dec - 12 / 06

My dearest:

It has been raining every since I came here, but clear to-day, threatening a little. A man is coming from Sacramento to-night to show me his ranch. Am going soon to see a 2500 acrew place about 40 miles from here, but only 3 mils from a branch road north. I told ma to forward my mail here. Nothing yet.

Always yours Paul
